## Seneca featured in Maclean's College Guidebook

Published 9/3/2024 by Ryan Flanagan

Seneca's great polytechnic education is making headlines in the newest edition of the *Maclean's College Guidebook*.

Andrea Enriquez-Henriquez, a graduate of the Clinical Research program, and Humdan Yarkhan, a graduate of the Human Resources Management program, spoke to the publication about their time at Seneca and how it prepared them for successful careers.
