

# Volunteer Opportunity for Students: Sustainable Seneca

Published 9/5/2024 by [Paula Echeveste Petrone](#)

Are you passionate about sustainability and eager to make a positive impact on our campus?

We've created the **Sustainability Volunteer Program** (SVP) to provide leadership experience for students like you who want to engage our community in sustainable efforts.

The SVP empowers students interested in sustainability through peer-to-peer education. We'll focus on waste reduction initiatives, campus farms and sustainability events.

Why Join?

- Gain valuable leadership experience.
- Make a difference by promoting sustainable practices.
- Connect with like-minded peers and contribute to positive change.

Ready to Get Involved?

The program kicks off on September 26. [Complete the registration form](#) and learn more about the program details. Registration is open until **September 20** or until we reach our limit of 80 students, whichever comes first.
