My name is Carla Bogobowicz and I am a professor in the School of Hospitality and Tourism. I've had the pleasure of working in the Tourism sector, Hotels and Food & Beverage, and bring over 20 years of experience with me to the college.

The majority of my time has been as a Catering Sales Manager at a luxury brand hotel helping clients execute successful events. For me, the best part of our industry is that no one experience is the same. There may be a routine to how "things get done" but with each event, we encounter new challenges making our work engaging and exciting.

As a graduate of the Hospitality program at Ryerson, I understand how important an education is to one's success in the industry. I look forward to sharing my experiences with you to help you on your journey to success.
