B.A.Sc., Lic.Acct., M.S.Ed., CIM, FCSI

I have extensive experience in the fields of finance, investments, banking, and business building. I built a profitable book of business, which I subsequently sold to become an educator. My passion for helping students become successful in their careers has made this transition very fulfilling.

I have also been teaching at colleges for over 9 years. Among my major accomplishments, I was a major player in the development and launch of a highly successful college program.

In addition to being a Chartered Investment Manager (CIM), I hold the FCSI designation, which is the highest credential offered by the Canadian Securities Institute.

Among my favourite activities are playing soccer and travelling.
