Are you taking public transit or the campus shuttle to Seneca? Log your weekday commutes in October on senecarideshare.com for a chance to win \$250 worth of OneCard credits. Two entries per weekday can be entered for the Campus Services competition, which is open to all students and employees.

Every time you log your transit commute, you'll see how much you're helping the environment by not driving a vehicle and reducing emissions.

All entries must be made by Friday, Nov. 8 at 11:55 p.m. A draw will be held Monday, Nov. 11 and two lucky winners will score the OneCard credits. They can be used on campus at Seneca's Dining Services, Campus Store, Boutique, Computing Commons and the Evolutions Spa.
