Once your ProctorU profile account has been created, schedule your Skills Assessment appointment with ProctorU.

1. Select the **blue 'schedule' button** for your assigned Skills Assessment. Do NOT select the 'Schedule New Session' option.

The screenshot shows the ProctorU dashboard. At the top, there is a navigation bar with 'My Sessions', 'My Orders', 'Support', and 'My Cart'. Below this is a green confirmation message: 'Your account has been successfully confirmed.' The main content area features four large buttons: 'Have Questions?', 'Test Your Equipment', 'Download Guardian', and 'Schedule New Session'. Below these is a 'Scheduled Appointments' section with a table. The table has columns for 'Active Exams', 'Testing Center Information', 'Date & Time', 'Type', 'Status', and 'Actions'. One appointment is listed: 'Business Math Skills Assessment' at 'Seneca College', 'Online', 'Live+', and 'Pending'. In the 'Actions' column, there is a 'Check your exam rules' button and a blue 'Schedule' button, which is highlighted with a red rectangular box. A chat icon is visible in the bottom right corner.

2. Select a date and time using the calendar widget and Submit Search. **Note:** To avoid on-demand scheduling charges, schedule an appointment more than 72 hours in advance.
