Prior to your scheduled Skills Assessment appointment with ProctorU, download and install the [Guardian Browser](#). The Guardian Browser is required to launch your Skills Assessment.

View ProctorU's [Guardian Browser resources](#) for detailed information on how to Download, Install, and Uninstall the Guardian Browser.

Once the Guardian Browser has been downloaded and installed, you will be able to test your device to determine if you meet the technical requirements ahead of your scheduled appointment.

View [ProctorU's test day information guide](#) on what to expect on the day of your scheduled appointment and how to launch the session.
