

# What changes would improve your experience at Seneca?

Published 4 days ago by [Sonia Novello](#)

Seneca Polytechnic is embarking on a new initiative, exploring ways to provide you with more flexibility, choice and seamless student experiences.

As part of this initiative, we are conducting a series of polls to gather your thoughts and insights about your experiences at Seneca. Your feedback will help guide our efforts to improve and innovate.

[Log in to MySeneca to answer this week's question:](#) What academic or service enhancements do you believe would better support your learning journey at Seneca?

You can also [answer last week's poll](#), which asked: By reflecting on your experience as a student at Seneca, what does more flexibility and choice mean to you?
