Locker rentals for the September 2025 term

Lockers for the Fall 2025 Term are assigned based on a random lottery system for full-time Seneca Polytechnic students. Lockers for the Fall Term are available for one or two terms. If your program runs in both Fall and Winter terms, you should apply for both terms to ensure you have a locker for the academic year.

Applications open: Wednesday, Aug. 27, 2025, at 9:00 a.m.

Applications close: Sunday, Sept. 7, 2025, at 11:59 p.m.

If you have been selected to rent a locker, a confirmation email will be sent to your Seneca email account on Monday, Sept. 8 at 11:00 a.m. with instructions on how to confirm your locker and payment options.

You can access the lottery application by logging into <https://apps.senecapolytechnic.ca/locker/> on Wednesday, Aug. 27, 2025*.
