SOLO & ASSISTED STRETCHING WORKSHOP

Date: Wed. Nov. 27, 2024

Time: 4:30-5:30pm

Check-in Time: 4:20pm

Location: Newnham Fitness Centre, Studio

[Registration Form](#)

In this 1-hour session, Sophia Plank (a certified Fascial Stretch Specialist, Personal Trainer, and Kinesiology graduate) will guide you through effective stretching techniques to enhance your flexibility, improve joint health, and manage pain. You'll also learn simple but powerful tools to optimize your movement and overall performance.

Regular stretching can help reduce muscle soreness, improve ease of movement, and alleviate pain –whether from workouts or everyday activities.

Refreshments will be provided for you after the workshop.

Don't miss out on this opportunity! Spots are available on a first-come, first-served basis.

What to Wear ~ Comfortable athletic attire

What to Bring ~ A water bottle and a lock to store your belongings in a locker

Check-in Reminder ~ Arrive at 4:20pm and scan-in at the Fitness Centre front desk before heading into the studio ~ First come, first serve
