

# Donalda Club

Published 10/6/2021 by [Gerald Encabo](#)

Family-oriented, with options ranging from golf to fitness, tennis and curling, Donalda is a modern private club with a tremendous location in the heart of the city. Family friendly is the key to Donalda—and the club wishes to welcome guests of members as part of its family. Whether it be a round of golf, a game of tennis or dinner for the extended family we trust your experience will be a memorable one. Donalda is a place where you define what success means to you and we help make it happen. It is a private club where you will be given the building blocks you need to forge a challenging new path.

**Available career opportunities:** The club has positions that will expand your skills and provide benefits that let you live the life you want. Working alongside co-workers who share your enthusiasm about your club employment with Donalda, you'll discover hospitality jobs that offer growth and promotions that will let you experience the career of a lifetime.
