Seneca raised more than \$110,300 for this year's United Way Campaign.

Thank you to all the students and employees who made donations, raised money or participated in the CN Tower Climb.

The funds raised will help support more than 300 agencies that provide services for people in need in the Greater Toronto Area. And every donation makes a difference.

United Way helps about two million people in the area each year by offering services such as housing, food and mental health support.
