Owned and operated by New Castle Hotels and Resorts. A preferred hotel operator with approximately 25 hotels within its profile. Within Canada New Castle manages the Westin Nova Scotian, Digby Pines, Liscombe Lodge, Hampton Inn and Suites in Dartmouth, and the Marriott Residence Inn in Moncton. We were the first Autograph Collection hotel to open in Canada. Being apart of the Autograph Collection means we get to have our own identity, be unique, one-of a kind, exactly like nothing else. We get to integrate with the Marriott Reservation and Sales systems.

There are over 100 Autograph collection properties worldwide, with 69 in North America. We have been consistently ranked in the top 20 properties over the past year, including being in the top 10 for cleanliness, quality of service, and check in experience.

Available career opportunities: We provide affordable living for those moving from away, which includes access to a shared kitchen facility, shared common room, wifi, shared washrooms, and complimentary laundry facilities. We also have a onsite staff cafeteria that serves a buffet lunch and dinner. Most of all we have fun at work and provide memorable summers to all of our staff with staff celebration, outings, and events scheduled on a monthly basis.
