We had a highly productive and insightful session with **Autumn Piette** and **Salra Niro** from **Seneca Libraries**, who delivered an outstanding presentation on **APA style citation**. Their expertise and engaging approach helped students gain a clear understanding of proper citation techniques, supported by excellent real-world examples.

To further assist you, please find attached the **PowerPoint presentation** and the **Zoom meeting link** for your reference.

A huge thank you to **Autumn and Salra** for their time, dedication, and invaluable contribution to our students' academic success!
