- How to make a compelling LinkedIn profile.
- The top three profile metrics that LinkedIn recruiters look at are as follows:
- How to expand your network using LinkedIn
- How to use LinkedIn for job searching

• Facilitator:

Angelo Vaccaro has worked in the post-secondary field for 10+ years, supporting students to achieve their academic and career goals. Currently, they are a Career Development Practitioner at Seneca Polytechnic. Their educational background specializes in higher education and student development theory. It consists of an Honours Bachelor degree, a Master of Education from OISE, University of Toronto, and a Bachelor of Education from Lakehead University. They also have a Certificate in Career and Academic Advising from the University of Calgary, which has further strengthened their knowledge to provide optimal supports for adults as they embark on their career journeys. Angelo is passionate towards EDI (equity, diversity, and inclusivity) and culturally responsive career education and believes in empowering students to actualize the skills they have gained from existing experiences
