At the May 2024 Seneca Student Federation (SSF) Social Fair, the SQAC asked students to reflect on the features of a good quality course. Here is what students said.

What are key features of a good quality course?

- approachable
- transparent
- more interactions
- an active class
- the professor
- organized
- gets you a job
- communication
- listens
- relevance to market
- makes me feel satisfied
- engaging
- accessible virtually, inperson and hybrid
- professor holds office hours
- accessible
- follows a schedule
- teaching learning support
- good teachers
- no limits to ideas
- practical knowledge
- open to discussion
- checks in with students

- applicable to the real world
- dedicated instructor
- students understand
- participative dynamics
