Welcome ASU and LAT Graduating Students

This resource is for those students graduating from ASU and LAT who plan to apply to transfer to one of our partnering universities:

- York University
- University of Toronto - Scarborough
- University of Toronto - St. George
- Trent University
- St. George's University

If you plan to apply to another program outside of one of our partnering universities listed above, please email academic.pathways@senecapolytechnic.ca should you need assistance. Please email theservicehub@senecapolytechnic.ca should you have additional questions about graduating from your program.

Learn more about [LAT](#) and [ASU](#).

Your program co-ordinators will also be in touch by email in mid-January with more information. You can reach out to them with questions at anytime.

Please complete [this survey](#) once you complete your university application to transfer.

Next Steps

The attached guide provides key next steps and contacts for you. However, consider engaging in the following activities at any time:ok

- Review all pathway options from your program to other programs (linked above);
- Browse the admission page(s) of your choice institution(s) to get ready to apply, look for key phrases like admission instructions for "pathways", "bridging" and "college transfers";
- Look for information sessions held by your choice institution(s) for you to attend in advance of applying to transfer to their university(es);
- Review your choice institution(s) for information on financial aid, the due dates for scholarships, bursaries, and awards, as well as how to register for services like accessible learning/academic accommodations, tutoring and counselling;
- For international student university transfer applicants with questions related to work permits and student VISAs, email theservicehub@senecapolytechnic.ca; manager Julie Leong helps to assist you behind the scenes, but your email must go through the service hub for us to track and respond;
- More questions? Keep them coming. Email your Program Co-ordinator or [The Service Hub](#).
