

# Summer Abroad is back! Here are new opportunities for 2025

Published 10 days ago by [Phuong Anh Pham](#)

Are you passionate about travel and eager to explore the world? Consider checking off one of your dream destinations from your travel bucket list through Seneca Polytechnic's global learning abroad opportunities!

## What is a **Summer Abroad Program (SAP)**?

SAP allows you to enrol in courses at one of Seneca's partner institutions, travel and immerse in diverse cultures and histories around the world, while earning academic credit toward your program at Seneca.

Seneca students can participate in one of the SAP opportunities.

Destinations for the Summer 2025 Term are:

### **The Netherlands**

[HU Summer School in Business & Economics](#) – open to Seneca Business students

### **South Korea**

[Dankook International Summer School](#) – open to all Seneca diploma, advanced diploma and degree students

[Konkuk Summer School](#) – open to all Seneca diploma, advanced diploma and degree students

### **Japan**

[Kansai Summer School](#) – open to all Seneca diploma, advanced diploma and degree students

[Kanagawa Summer School](#) - open to all Seneca diploma, advanced diploma and degree students

### **France**

**EFAP Summer School** – open to all Seneca diploma, advanced diploma and degree students. **AFD** students can also participate.

## **The United Kingdom**

**Nottingham Trent University (NTU) Global Summer School** – open to all Seneca diploma, advanced diploma and degree students

**Application deadline: Sunday, March 16**, *unless stated otherwise*.

Want to meet the host institution? Curious about how to apply? Join an upcoming info session [here](#) to learn more!
