

Sting capture silver at national badminton championships

Published 28 days ago by [Megan DeLaire](#)

Seneca Polytechnic's Anthony Tso and Jordan Lau **earned a silver medal** in men's doubles at the Canadian Collegiate Athletic Association (CCAA) Badminton National Championships last week.

The pair's second-place finish is the best in men's doubles for the Sting since 2022. Seneca captured bronze at each of the previous two national championships.

The weekend also marked Mr. Tso's fourth time representing the Sting at the CCAA national championships, and Mr. Lau's first. Last month, the duo won the Ontario Colleges Athletic Association championship with a perfect 6-0 record.
