

# Download the new Seneca Athletics & Recreation app

Published 3/19/2025 by [Megan DeLaire](#)

It's about to get easier to register for fitness classes, recreation programs and other Athletics & Recreation activities at Seneca Polytechnic.

Members of the Seneca community can now take advantage of the new Seneca Athletics & Recreation app. This free mobile app gives users access to sports and recreation schedules, event calendars and registration forms, right at their fingertips.

It will allow you to register for and keep track of each week's free fitness classes, drop-in sports, leagues, trips and more. It also works in tandem with Athletics & Recreation's new [web portal](#) to help create a seamless campus recreation experience.

Find the Seneca Athletics & Recreation app in the [Apple App Store](#) or [Google Play](#).
