

Download the new Seneca Athletics & Recreation app

Published 3 days ago by [Mahsa Hajir](#)

Access to Seneca Polytechnic's sports and recreation facilities and programs is only a tap away thanks to the new Seneca Athletics & Recreation app.

Seneca employees can visit the app or the new [Seneca Recreation web portal](#) to sign up for a \$50 + HST semester membership, view facility hours and schedules and see all the fitness and drop-in sports programming their membership unlocks.

This new portal is powered by Fusion recreational management software – a favourite among postsecondary institutions. Visit recreation.senecasting.ca to access all the fitness and recreation opportunities Seneca has to offer faculty and staff. Find the Seneca Athletics & Recreation app in the [Apple App Store](#) and via [Google Play](#).
