

FASET: Engineering the future

Published a day ago by [Megan DeLaire](#)

Seneca Polytechnic's [Faculty of Applied Science & Engineering Technology](#) (FASET) was recently featured on the National Engineering Month (NEM) Ontario website for its innovative approaches to engineering education.

NEM is Canada's largest celebration of engineering excellence. Each March, organizations such as Engineers Canada and the Ontario Society of Professional Engineers highlight the diversity of thought, opportunities and people that make up the engineering profession in Canada.

[Read more](#) about FASET's impact on the engineering landscape in its profile on the NEM Ontario website.
