[Seneca Animation](#) will showcase five student-made cartoons on the big screen at York University's Sandra Faire and Ivan Fecan Theatre on Wednesday, April 16.

Last December, the Seneca Polytechnic community was invited to attend a screen test of the films and provide feedback to their creators. Now, they'll have an opportunity to view the final cuts.

The screening begins at 6 p.m., following a pre-show from 4 to 5 p.m., and will also be livestreamed. Tickets to the in-person screening are [available online](#) for \$15. Anyone attending in person can stick around afterward for some post-show entertainment in the theatre lobby with Pipeline Animation Studios.

The [Sandra Faire and Ivan Fecan Theatre](#) is located within the York Accolade East Building, at York University's Keele campus.

You can find a list of the films being screened at [seneca2d.com](#).
