

# Evacuation Assembly Areas

Version 1

Published 4/17/2025 by [Sulakshan Sabaratnam](#) Last updated 4/17/2025 6:07 PM by [Sulakshan Sabaratnam](#)

Evacuation Assembly Areas are designated safe locations where building occupants must gather during an emergency evacuation. It is important to proceed to the nearest assembly area quickly and remain there until given further instructions. Always familiarize yourself with the evacuation routes and assembly locations for your building.
