

# Meet Your Student Adviser

Version 2

Published 18 hours ago by **Matthew Harris** Last updated 4/25/2025 3:30 PM by **Matthew Harris**

**Connect with your Student Adviser** in person in The Service Hub throughout Startup to help you with:

- enrolment and class schedule support
- academic planning and identifying course and program options that keep you on track toward graduation
- exploring strategies for success, online learning resources and tips to be successful in your studies
- connecting you with academic and support services around Seneca

Please ensure you check in at **The Service Hub**, where students will be supported in priority sequence. Student Advisers will be available Monday to Friday from 9 a.m. to 4 p.m. and students can speak to any adviser. View the schedule below if you'd like to speak to your faculty's adviser.

You can also book a virtual appointment at any time by opening a case through The Service Hub. Please note that if you are not logged into the portal, you will be redirected to the login page and then returned to the form once you've logged in.
