

Planned road closure near King Campus from May 2 to 5

Published 3 days ago by [Ran Luo](#)

Please be advised that as part of Metrolinx's railway track rehabilitation program, the section of 15th Sideroad between Bathurst St. and Dufferin St. in King City will be closed from Friday, May 2 at 10 a.m. until Monday, May 5 at 7 p.m.

As the road closure will impact all transportation, [Campus Shuttle](#) riders can expect a detour (regular departure times will not be affected); drivers coming from east of King Campus may need to find alternative routes.
