Published 5/26/2025 by [Ran Luo](#)

As part of operational and service changes, after having served the Seneca community for many years, our beloved Campus Store locations at King and Seneca@York campuses will be closing their doors for one last time at end of day Friday, May 30.

The closures will have the following impact on in-person shopping and order pickup at the Campus Store after Friday, May 30:

- For in-person shopping, the Newnham Campus location (Room B1000, Building B) will become the only option
- Purchases made through the [online store](#) will need to be picked up at Newnham Campus or [delivered](#)

## Special closing sale

To give the two locations a proper sendoff, the Campus Store team will be offering students, employees and friends a 20 per cent discount on all clothing and merchandise purchases in store from Monday, May 26 to Friday, May 30.

Textbooks and course supplies excluded.
