How do I use a Campus Meal Plan?

The meal plan you load to your OneCard works like a debit card: whenever you buy a meal on campus the amount of your purchase is subtracted from your account.

All meal plans can be used at any Seneca Dining Service location at Newnham, King and Seneca@York Campus, plus Subway in the Residence at Newnham Campus.

Expiry

There is no expiry on an employee meal plan. If it is untouched for over 1 year the OneCard office will contact the employee for confirmation.

Visit Seneca Dining for more information about Dining Services.
