Hello! My name is Jan Duffy and I teach a variety of subjects in the School of Hospitality and Tourism.

I enjoy preparing my students to write the TICO Exam in TRV202 and the TAP Exam in TRV302.

These two certifications give our students a terrific “jumpstart” as they enter the wonderful world of Travel.

I have worked in several sectors of the Industry, including wholesale, retail and management.

I love many destinations in the world, but my go to for relaxation, has to be Mexico.

I look forward to meeting and teaching my future students virtually, and one day soon, in person!
