

Winter 2026 Term locker cleanup information

Published 2 days ago by [Stephanie Conte](#)

Students who rented a locker for the Winter 2026 Term must clear out its contents by Friday, April 17. Please ensure that the original lock is left on your locker. Seneca Polytechnic will remove all items from lockers after this date and you may incur a **locker clean-out fee** if you do not remove your belongings by the deadline.

Those returning to study at Seneca for the Summer 2026 Term are still required to empty lockers. The [application to rent a locker](#) for the summer term opens on Sunday, May 3.
