

# How to get your textbooks

Published a day ago by [Ran Luo](#)

Our Campus Store makes it easy and convenient for you to find the textbooks you need for your program/courses at Seneca Polytechnic.

If you have been wondering where and how you can get your textbooks, then great news: there are only a few steps to follow!

1. Visit <https://www.bkstr.com/senecastore/home>, the official website of our Campus Store.
2. Select the “Textbooks” button from the top menu, then find your textbooks either by entering your Student ID, or by courses (filtered by campus location and term).

3. For physical textbooks, you can have them **shipped and delivered** to you, or have them ready for **pickup at Newnham Campus**.
