

# Ontario Project Management Competition (OPMC) 2026!

Published 10/28/2025 by **David Trinh**

## ✂ Join the Ontario Project Management Competition (OPMC) 2026!

Organized by the Wideman Education Foundation, OPMC is an exciting opportunity for college and university students to showcase their leadership, creativity, and project management skills.

## ✂ What's Involved?

- Form a team of **3–5 students**
- Plan and execute a project over **at least two months**
- Align your project with the **UN Sustainable Development Goals**
- Apply all **five project management process groups**
- Gain **hands-on experience** and exposure to **industry standards**

✂ Whether you're passionate about sustainability, innovation, or making a social impact, this competition is a great way to build your resume and connect with like-minded peers.

## ✂ Ready to get started?

Visit [opmc.ai/Competition](https://opmc.ai/Competition) for full details and registration info.
