

# Drawing I

Version 2

Published 11/6/2025 by **Holly Werda** Last updated 11/10/2025 1:38 PM by **Holly Werda**

This studio-based course focuses on observational and technical drawing techniques to represent objects and built environments. Traditional graphic media is employed to practice application of quality of line, tone, texture, and contrast. Students will analyze and interpret 3-dimensional information to make 2-dimensional pictorial representations.
