

# What in the World is Going On?

Version 1

Published 11/6/2025 by [Holly Werda](#) Last updated 11/6/2025 6:26 PM by [Holly Werda](#)

News stories confront us with people, places, issues, and crises from around the world. An understanding of background issues helps us make informed judgements. This course focuses on the main news stories of the day and looks for your critical interpretations.

<b>College Course (Ministry Code)</b>	CUL493 NDC (JFE4T)
