

Sports Journalism

Version 5

Published 11/6/2025 by **Holly Werda** Last updated 11/24/2025 7:12 PM by **Holly Werda**

This subject combines both the fun of participating in lively sports debates, and the practical techniques that will help students to improve their communication skills. Students will receive a behind the scenes look at sport issues by examining topics such as sport and politics, commercialism, and the Olympic movement. Through this course, students will better understand the major problems and controversies surrounding the impact of sports upon society and gain a greater appreciation for the craft of sports journalism and the genre of sports literature.
