

Take your IELTS preparation to the next level as soon as March 10

Published 17 days ago by [Ran Luo](#)

Are you planning on taking the International English Language Testing System (IELTS) exam?

Whether you need the academic or general version of the IELTS, our IELTS Preparation workshop is designed to help you perform your best and achieve your desired band score in the speaking, listening, reading and writing sections of the exam.

The workshop is delivered virtually by the expert facilitators from our [English Language Institute](#):

Winter 2026 Term

- March 10 to 19
- Tuesdays and Thursdays | 6 to 9 p.m. EST
