

Field Placement ID Cards

Version 5

Published 12/2/2025 by **Kathrina Lalog** Last updated 12/2/2025 9:47 PM by **Kathrina Lalog**

A placement card is a plastic photo-only ID card used the School of ECE field placements to identify yourself as a Seneca student while on a Field Placement. A placement card is not the same as a OneCard.

To get a Field Placement ID Card:

- Go to <https://onecardphoto.senecapolytechnic.ca/> to submit a photo and photo identification. When it is approved you will receive an email at your Seneca email address.
- ECE student Field Placement ID Cards will be printed as a batch after day 10 of the term for first semester students. They will be provided to the ECE program for distribution to students.
- Field Placement ID Cards can also be printed and picked up at the OneCard office at Newnham campus room D2300 Monday to Friday 9am to 4pm.
- OneCard staff will be available at the King campus Service Hub during the first week of each semester.

For further inquiries, please email onecard@senecapolytechnic.ca
