These wintry days have been bitterly cold ☹, why not sweeten them up with some Seneca Honey ☹?

Starting Tuesday, Jan. 20, you can purchase jars of Seneca Honey at Campus Convenience — the store located on the main floor of the Newnham Residence — between 8:30 a.m. and 10:30 p.m. every day, including holidays.

For \$10 a jar, indulge in 250 grams of raw, unpasteurized honey that offers a deliciously sweet flavour profile and aroma reminiscent of wildflowers, collected from the 18 beehives at our King and Newnham campuses.

Get yours today while supplies last, credit or debit card payments only.
