EXERCISE GUIDELINES & REP RULES:

1 Lap Run:

Each 1 lap run is around half the field.

Lateral Hurdle Jump (30 reps):

Jump sideways over the hurdle with both feet together. Land softly with knees slightly bent to absorb impact, keeping your core engaged for balance.

Rep Rule: The rep counts only if both feet clear the hurdle at the same time.

Push Ups (30 reps):

Maintain a straight line from head to knees or toes. Lower your chest until it touches the push-up marker, then push back up. Keep your core engaged to protect your lower back. Women may perform push-ups from their knees.

Rep Rule: A repetition only counts if your chest touches the marker and both arms are fully extended at the top.

Walking Lunges (60-meter distance approx.):

Step forward and gently lower your back knee toward the ground. Keep your torso upright and your core engaged to protect your knees and back.

Rep Rule: Each rep counts only if the back knee lightly touches the ground.

Sandbag Shuttles (3 shuttles):

Carry the sandbag at a fast, controlled pace from the start cone to the end cone, turning around each cone to shuttle back and forth. Keep the sandbag close to your body while moving. Bend at the hips and knees when picking up or setting down the sandbag and look ahead—not down—while running. Sandbag Weight: Females (20lbs) / Males 40lbs.

Rep Rule: Carry the sandbag close to your chest, cradled in our arms.

Full Sit-Ups (30 reps):

Lie on your back with knees bent and feet flat on the floor. Engage your core as you lift your torso, bringing your elbows to touch your knees. Lower slowly to protect your lower back.

Rep Rule: A repetition counts only if your elbows touch the tops of your knees at the peak and your shoulder blades return to the mat at the bottom.

Burpees (20 reps):

From standing, drop into a plank with hands under shoulders, then return to standing with a jump and arms overhead. Land softly and engage your core to protect your spine and knees.

Rep Rule: Each rep counts only if your body fully extends during the jump with arms overhead.
