

Sections of Building D at Newnham Campus are currently inaccessible

Published 2/9/2026 by [Cam Gordon](#)

Sections of Building D at Newnham Campus are currently inaccessible due to a sprinkler system activation.

Please avoid the areas around shipping and receiving, and Room D1350. The elevator in this section is also out of service.

While the situation is being resolved, use alternate corridors and other elevators in Building D to navigate the area, and access Seneca Student Federation (SSF) by stairs.
