## **What is TPJ?**

"TPJ" is the Thesis Project (or capstone project) course in each of the final semesters of our EEN, EET, ECT, and EMA programs. Each student project team above spent 12 weeks researching, designing, and constructing a working capstone project, with guidance from their respective TPJ professors:

Benjamin Shefler (452), Karen Craigs (655), and Iakov Romanovski (653).
