

# Join an inspiring International Women's Day virtual event on March 3

Published 4 hours ago by [Deena Douara](#)

Celebrate International Women's Day with an inspiring panel discussion on the global theme Give to Gain. Join us for a powerful conversation exploring how generosity, collaboration and shared support can accelerate gender equality and create lasting impact.

Hear from accomplished women leaders as they share their journeys of overcoming challenges, driving change, and lifting others along the way. Discover actionable strategies for leadership, career growth, and building inclusive workplaces where everyone thrives. Learn how giving through mentorship, advocacy, and resources multiplies opportunities for all.

Together, let's turn giving into gaining for ourselves, our communities, and the world. [Register now](#) to secure your spot!
