

Kiran Hayat

Published 10/14/2021 by [Gerald Encabo](#)

Kiran is a Business Program Consultant with extensive experience in Financial Services, Payments modernization, Digital Marketing, User and Customer experience journeys. She builds dynamic teams to deliver programs driving enterprise efficiencies and synergies. Kiran positions teams to pivot in response to fast-changing environments with the tools and techniques to adjust business processes, new technologies, theories and models to remain current in a competitive landscape. Kiran teaches Project management and Global Business Strategies and provides advisory services to start-up firms. Kiran volunteers her time leading community relations and engagement. She is passionate about her work in, and is an advocate for, gender equality and minority progression.
