Now, she's supposed to give back and help students like Pacia through the Helen Szumigaj Award.

Dear Helen,

Thank you for your generosity. I am very honoured to be the recipient of your award.

Developing a career in the hospitality industry is one of my biggest goals. I enrolled at Seneca to learn from professionals with outstanding experience in the industry and I have enjoyed every minute of my journey here.

Education can be costly, but because of this award I can focus on the most important aspect of college: learning.
