CUSTOMER SERVICE SPECIALIST

TRIDEL GROUP

I am a proud Seneca Alumna from Global Operations Management. This program allowed me to become an ideal candidate not just for hospitality but also for multiple industries as the skills learned were competent and transferable; hence opened the gateway for endless opportunities. I worked as a Food & Beverage Supervisor at Hilton Hotels Downtown Toronto and worked my way to the position of Catering Sales Manager at Holiday Inn Toronto Airport. Currently, I work at the Tridel group as a Customer Service Specialist and working on establishing my fitness brand "@AdiYogi_ca" through Digital platforms like Instagram; all because of the versatile skill set that I learned at Seneca.

"Seneca made me realize that there is no deadlock for grand people, because they believe they'll either find a way or will make one."
