[Career Resources](#)

We connect you to Employers and jobs. Explore [Seneca Works Career Portal](#) for student & graduate jobs.

Are you thinking about employment and getting ready to start your career? Do you identify as someone on the autism spectrum or with a neurodiversity? Specialisterne in partnership with Seneca College may have a path for you. [Get more information](#) or [watch the video](#). For inquiries, contact [bridge@specialisterne.ca](mailto:bridge@specialisterne.ca).

The Discover Ability Network is an initiative created by the Ontario Chamber of Commerce to connect job seekers with disabilities to inclusive employment opportunities. The Discover Ability Network provides job seekers with powerful job matching technology, online resources, and in-person training on tools and best practices when searching for inclusive employment.
