Version 1

Emergency Response Guide

Seneca's Emergency Response Guide provides direction to staff and students on how to deal with emergencies on campus.

Fire

Guidelines of what to do in case of fire can be different depending on your location.

Refuge Sites and Accessibility Concerns

Refuge sites are established areas for non-ambulatory persons and those who require assistance in the event of a building evacuation.

Security and Emergency Management Services

We are committed to providing a safe and secure learning and working environment for students and employees.

Seneca SAFE

As a part of the commitment to campus safety, we use Seneca SAFE as the official campus safety app on mobile devices and classrooms podiums.
