Immigration Advisement

Immigration advisement is available by in-person or virtual appointments. Connect with an immigration specialist and ask questions about the temporary resident documents that are required to study at Seneca Polytechnic including, but not limited to: study permits, visas, work permits and/or Post-Graduation Work Permit (PGWP) eligibility. Visit the [immigration advisement page](#) for details on how to book an appointment or how to join virtual drop-in sessions.

Immigration Topic Workshops

We have various workshops lined up throughout the semester to educate, guide and provide you with critical information in being compliant to the conditions of your study permit,

remain legally in status throughout your stay and eligibility to work and meet requirements for post-graduation work permit. Visit the [Activities, Events and Workshops](#) page to register for an upcoming session.

You can also watch [this video](#) to learn more information about study permits, visas, work permits and Post-Graduation Work Permit (PGWP) eligibility.
