

Visa and Permits

Version 71

Published 11/3/2021 by [Gerald Encabo](#) Last updated 4/13/2024 4:02 PM by [Shazeela Nabi](#)

In order to maintain your status as an international student in Canada, there are several processes, documents and regulations you will need to familiarize yourself with.

Please note that Canadian immigration laws are subject to change. Refer to the [Immigration, Refugees and Citizenship Canada \(IRCC\) official website](#) for the most up-to-date information.

Information, Steps and Guidelines

Immigration related Workshops

We have various workshops lined up throughout the semester to educate, guide and provide you with critical information in being compliant to the conditions of your study permit, remain legally in status throughout your stay and eligibility to work and meet requirements for post-graduation work permit. Do check out these sessions from our [Activities, Events and Workshops](#) page.
