To apply to graduate, please follow these steps:

1. Log in to [Student Home](#)
2. Select "Academic Records."
3. Select "Graduation Related."
4. Go to "Graduation Application."

If you are currently completing your final program requirements, please ensure you that your name and mailing address are displayed correctly. If the name you want to appear on your credential is different from the name on your student account, or if your address needs to be updated you can make updates via Student Home.

- [Address Changes](#)

Your graduation status can be monitored in [Student Home](#). You are not required to complete a graduation application if your status is one of the following, as your record is already under review for graduation eligibility:

- Expected/applied to graduate
- Pending program completion
- Complete

If you require a graduation letter to verify that you have graduated from Seneca, review the instructions for the [Graduation Letter Application](#).
